THE CHEPSTOW **CHALLENGE**

SUNDAY 31st OCTOBER 2010

Following the success of past events we return to Chepstow for more fun around the cones. The event will use the stables area at Chepstow and will be run as an All Forward Autotest giving us a bit of freedom in the layout of the courses and allowing a wider variety of cars to enter. Our aim is to run a fun driving event rather than a memory test - the course layout will use numbered cones and yellow marker cones.
If you enjoy Auto Solo you will love this event.

20 Marking and penalties will be as follows:-

Time taken completing the course: Actual time taken

Striking a cone or barrier or any other course marker: 10 seconds per offence.

Taking an incorrect route on any course: Maximum Time

(However, returning to the point of departure from the correct route and then completing the route correctly will not be penalised, except as immediately below.)

Not stopping immediately on deployment of the STOP signal: Maximum Time

Not completing the course: Maximum Time.

The Maximum Time is the slowest time for that course, plus ten seconds.

21 All Officials, and anyone acting as a marshal, will be Judges of Fact for the purposes stated in G.10 (Facts to be judged as listed in 20 above). Individual scorecards will not be issued; times and penalties will be collated by the Timekeepers and displayed by Results officials.

22 The starting signal will be made known at the Drivers' Briefing.

23 All runs on each course will count for results. There will be a maximum of 3 runs on each course. In the event of a tie, the faster run on the first course will determine the tie, then the faster run on the second course etc until the tie is resolved. Competitors not attempting a test will receive Maximum Time unless they declare retirement.

A competitor must stop safely immediately on deployment of the STOP signal, then follow Officials instructions. A re-run will be allowed. The STOP signal will be demonstrated at the driver's briefing.
